## What Now? Everyone Needs to make a choice!

God made you special. So special that He wants to be with you always and forever. But something happened. That something is called SIN. Sin keeps you away from God. We all want to go to heaven. God created us to go to heaven and to be with Him forever. But when we do bad things, we turn away from God and let Sin and the devil rule our lives.

Jesus died to take away your Sin and to make you clean so that you can be with God again—now and forever.

You need to receive Jesus. Jesus is God's son and your Savior. He is also King and Lord. So when you receive him, you believe that God sent Jesus to die for you. But you will also live for Jesus as *your* King and Lord every day.

**Jesus is the only way to heaven. But YOU need to choose Jesus for yourself.**

If you want Jesus to come into your heart, then pray this prayer:

***Jesus, I am a sinner. I have done bad things. But I ask you to forgive me and take away my sin. Come into my heart. I will live for you today and every day. You are my Savior, King and Lord.***

Did you pray that prayer? Now God wants you to grow. Just like your body needs food, exercise and sleep to grow, your heart and spirit need to grow too!

Take time to read the Bible and pray everyday. Find a church where there are other kids just like you who know and love Jesus too! Tell someone how much Jesus has done for you.
